A **comprehensive [menu](#) of Newk's Eatery** from Clearwater covering all **16** courses and drinks can be found here on the menu. Newks in Gainesville, FL received high praise for its cleanliness, delicious food, and friendly staff. However, the Clearwater location left much to be desired with dirty conditions, slow service, and subpar food presentation. Despite some mixed reviews, the Clearwater site was commended for safety measures during the pandemic, while the Ohio visitors were impressed with their experience. Overall, Newks offers a diverse menu with fresh soups and salads, but quality and service may vary by location. The Gainesville location seems to be more consistent with positive experiences compared to Clearwater. It is a suitable place for a quick bite or relaxed dining.
