A **comprehensive menu** of Golden Krust Caribbean from The Bronx covering all **17** dishes and drinks can be found here on the card. At this restaurant, patrons experience a mixed bag of opinions, particularly regarding customer service and food quality. While some customers rave about the tantalizing aromas and variety of dishes, noting highlights like the beef patties and shrimp dishes, others criticize the service as rude and inattentive. Pricing is often mentioned, with some feeling it doesn't align with the portion sizes or quality received. Despite the promising menu and fresh offerings, the inconsistent service and casual approach to hygiene have left many feeling disappointed, making it a venue where culinary delight may come at the cost of an unpleasant dining experience.
