A **comprehensive menu** of Thai Taste 2 from Bonita covering all **16** courses and drinks can be found here on the card. This restaurant presents a mixed bag of experiences, where authentic Thai cuisine often shines, yet service issues and inconsistency mar the overall enjoyment. While some patrons rave about flavorful dishes like eggplant chicken and tender spicy noodles, others criticize rubbery noodles and a lack of seasoning. Customer service also draws scrutiny, with reports of rudeness and billing discrepancies. Despite these challenges, many diners highlight the freshness of ingredients, especially in spring rolls and mango sticky rice. For those willing to overlook service hiccups, this venue may still offer memorable dishes worth exploring.
