The place from Portland offers **16** different **dishes and drinks on [the menu](#)** at an average \$5.7. Henry's offers a mixed experience for bagel enthusiasts. While the tofu cream cheese garners praise, bagels can vary from average to dry, and customer service has faced scrutiny. Some patrons have applauded the authentic taste of their Reuben and lox bagels, but frustrations over burnt toppings and long waiting periods have been noted, particularly during peak times. Despite these inconsistencies, there remains a core group of loyal customers who appreciate the unique offerings and the old-school New York style. Overall, Henry's could benefit from improved service and quality control to enhance its reputation among bagel lovers.
