Here you can find the [menu of Hardee's](#) in Jacksonville. At the moment, there are **15** courses and drinks on the menu. Hardee's has become a point of contention among patrons, with opinions sharply divided. Some customers praise the delicious, well-seasoned burgers, particularly appreciating improvements in the often-criticized fries. The new offerings like "Thanksgiving in a Box" have also garnered positive feedback. However, many are frustrated by the restaurant's continued drive-thru only service and rude staff, leading to disappointing experiences that overshadow the food. While some locations maintain cleanliness and efficient service, the overall inconsistency in customer experience suggests that Hardee's has room for improvement to better meet its diners' expectations.
