The restaurant from Fort Wayne offers **17** different **meals and drinks on [the menu](#)** at an average price of \$6.6. Panda Express continues to be a favorite for many, offering a clean environment and consistently fresh food, with popular dishes like Sweetfire Chicken and Beijing Beef earning high praise. However, recent experiences highlight significant service issues, particularly during peak hours. Customers report long wait times for online orders and confusion with drive-thru protocols. While the food remains a strong point, the restaurant struggles with staffing efficiency, leading to mixed feelings about the service experience. Diners recommend visiting during off-peak times to improve the overall experience, as the quality of the food is undeniable.
