Here you can find the [menu](#) of **Hillside Public House Doneckers** in Ephrata. At the moment, there are 17 dishes and drinks on the card. Hillside has emerged as a laid-back neighborhood gem in Ephrata, featuring a unique dual concept of BBQ and [sushi](#). Patrons appreciate the friendly staff and vibrant atmosphere, though opinions on the food are mixed. While the sushi, particularly the Volcano Roll, garners rave reviews for its freshness and creativity, the BBQ often falls short, with reports of dry brisket and an overpowering smoked flavor. Despite these culinary inconsistencies, the drink selection, highlighted by locally sourced options, shines. Improvements to the food offerings and ambiance could elevate this locale into a must-visit destination for both locals and visitors alike.
