A **comprehensive [menu](#)** of Royal Buffet from Dickson City covering all **17** courses and drinks can be found here on the menu. This buffet restaurant presents a vast selection, featuring sushi, hibachi, and various Chinese dishes, catering to diverse tastes. However, the overall dining experience fluctuates significantly. While some patrons praised the vibrant flavors and exceptional service, many others expressed dissatisfaction, citing cold food, pushy tipping practices, and unresponsive staff. Price points generally vary from \$10 to \$30 per person, with mixed feedback on value for money. Despite its potential, recommendations lean towards caution, as the quality and service seem inconsistent. For those seeking average dining, it may suffice, but a more memorable meal might be found elsewhere.
