On this homepage, you can find the **complete menu** of Subway from Edgewood. Currently, there are **16** courses and drinks available. The Edgewood Subway offers a dining experience that oscillates between commendable and frustrating. While some patrons praise the staff for their friendliness, notably a standout employee named John, others report issues with inattentive service and unprofessionalism from certain team members. Consistency seems to be a problem, as missing sandwich ingredients and lackluster flavors have raised concerns. Additionally, cleanliness and organization appear lacking, particularly during peak times. Although some feel the food can shine above the service, the overall sentiment reflects a need for improvement in both staff training and meal quality at this location.
