**The Menu of Vitality Bowls from Danville** includes about **16** different dishes and drinks. On average, you pay for a dish / drink about \$9.4. This local juicer offers a range of vibrant bowls, but recent visits reveal inconsistencies in quality and portion sizes. While some dishes, like the Warrior Bowls, have delighted customers in the past, several reported disappointments with insufficient servings and overly dressed ingredients. Pricing remains steep, and the service is hindered by apparent understaffing, leading to long wait times. Despite being the only juicer in the area, many patrons feel the quality and experience do not justify the costs, raising concerns about the use of plastic for fresh juice. Overall, the restaurant leaves diners with mixed feelings.
