Here you can find the [menu](#) of Applebee's Grill in [Great Falls](#). At the moment, there are **18** meals and drinks on the food list. Nestled in the heart of the community, this Applebee's offers a mixed dining experience with standout service that often surpasses the food quality. While patrons rave about the nachos and exceptional waitstaff, complaints about inconsistent food preparation and long wait times for appetizers and entrees frequently arise. Cocktails tend to be overly sweet and misleading in size, which detracts from the experience.

Despite some staff mishaps and menu changes, many guests appreciate the welcoming atmosphere, cleanliness, and variety on the menu. Overall, while there are areas for improvement, the solid service keeps patrons coming back for more.
