Here you can find the [menu](#) of **Outback Steakhouse** in Danville. At the moment, there are **16** menus and drinks on the menu. Outback Steakhouse has received a mixed bag of reviews recently, with some customers raving about their dishes, such as the delicious salmon on the green and the beloved bloomin' onion, while others have had less-than-stellar experiences. One patron was disappointed with their overcooked steak and poor service, with raw meat being served. Another reviewer noted a decline in food quality, citing issues with gristly steaks, mediocre filets, and microwaved baked potatoes. However, others have had positive interactions with staff, like Ashley C. and Armani, who provided excellent service and made the dining experience enjoyable. Overall, Outback Steakhouse seems to have hit-or-miss moments, with some locations maintaining consistency and quality, while others may be lacking in various areas.
