The restaurant from Philadelphia offers **16** different **dishes and drinks on [the card](#)** at an average \$14.9. This Jamaican restaurant offers a mixed experience, highlighted by generous portions and authentic flavors. While favorites like oxtail and jerk chicken receive praise for their taste and quantity, some diners report disappointments, such as bland sides, dryness, and poor food preparation. Issues with order accuracy and delivery service have also surfaced, affecting overall satisfaction. However, the shop's ability to provide hearty meals that last days keeps many loyal customers coming back. With some adjustments in food quality and service, this culinary gem could reclaim its status as a top destination for Jamaican cuisine in Philly.
