A **comprehensive menu** of Olive Garden Italian from Amherst covering all 17 courses and drinks can be found here on the menu. Olive Garden offers a mixed dining experience, with highlights in both food and service but also notable lapses. Many guests praise the delicious food, extensive menu, and friendly staff. However, some have reported inconsistent service, particularly during busy times or large parties, leading to delays and misunderstandings. Instances of cold food and forgotten utensils detract from the overall experience for some diners. Conversely, others commend the efficient handling of large groups and the attentiveness of staff, contributing to memorable occasions. Overall, while Olive Garden has its loyal fans, recent visits suggest that service consistency may need improvement.
