A **comprehensive [menu](#) of Big Mamma's Burritos** from Columbus covering all **17** meals and drinks can be found here on the card. Big Mamma's Burritos, a beloved late-night eatery originally from Athens, OH, has made its mark in Columbus. While fans rave about the quick service and affordable prices, experiences vary significantly. Some diners appreciate the customizable menu, particularly the vegan chorizo option, perfect for plant-based patrons. However, others report subpar food quality and inconsistent customer service, describing encounters with disgruntled staff and cleanliness issues. Despite the mixed reviews, the restaurant remains a popular choice for late-night snacks, making it a convenient option for those seeking satisfying burritos, though takeout may be the preferred choice given the limited seating.
