A **comprehensive menu** of Pacific Buffet Seafood, Sushi and Grill from Marietta covering all **16** courses and drinks can be found here on the food list. A comprehensive review of a Chinese buffet restaurant reveals a mixed bag of opinions. While some customers praise the wide variety of food options, hibachi service, and friendly staff, others express disappointment in the declining quality of the food, lack of vegan options, and issues with temperature control on the steam tables. Despite the mixed reviews, the restaurant is commended for its affordability, spacious seating, and accommodating service. Some highlights include fresh sushi, good fruit selection, and a pleasant atmosphere with features such as a waterfall and coy pond. Overall, the restaurant seems to cater to a range of tastes, offering something for sushi lovers, hibachi enthusiasts, and those seeking a casual buffet dining experience.
