A **comprehensive menu** of Cricket's Steakhouse and Oyster Bar from COEUR D ALENE covering all **16** dishes and drinks can be found here on the food list. Despite some negative experiences with burnt and cold food, small portions, and high prices, this restaurant in downtown Coeur d'Alene has some redeeming qualities. The fish dishes received high praise, especially those made with catfish, and the carrot cake is a must-try. The atmosphere is welcoming and the staff are friendly, with the exception of one incident involving a live maggot in a meal, which was not handled well by the server. Overall, the restaurant is recommended for its unique oyster options, large drink menu, and delicious dishes, as long as you avoid certain menu items and keep an eye out for any unwanted surprises in your food.
