A **comprehensive [menu](#)** of The Iron Horse from Spokane Valley covering all **16** dishes and drinks can be found here on the food list. Iron Horse, a longstanding establishment with a dive bar charm, has drawn mixed reviews from patrons. While some laud the friendly atmosphere, delicious food, and exceptional service—particularly on busy nights—others express frustration with inattentive staff and challenging service encounters. Repeat visitors rave about signature dishes like the blackened salmon Caesar salad and homemade onion rings, while newcomers report feeling ignored or discriminated against, particularly regarding service based on race or issues with ID. Despite these disparities, it's clear that Iron Horse has the potential to shine with the right commitment to customer care.
