**The Card** of Coco Fresh Tea Juice from New York includes about 17 different meals and drinks. On average, you pay for a dish / drink about \$5.6. At this popular bubble tea spot, patrons enjoy a menu featuring flavorful drinks, such as the well-loved passionfruit green tea with boba. While the beverages are often praised for freshness and quality, particularly the bubbles, experiences can vary dramatically based on service. Some visitors have noted a frustrating atmosphere, characterized by slow service and perceived rudeness from staff, especially during busy weekends when the team is understaffed. However, regulars appreciate the friendly staff and the extra incentive of a 15% discount for Baruch students. Overall, this establishment offers a mixed bag of experiences, despite its delicious offerings.
