The Card of Virginia Bagel from Centreville contains about **17** different dishes and drinks. On average, you pay for a dish / drink about \$9.2. In the midst of varied experiences, this bagel joint draws mixed reactions from patrons. While many laud its delicious breakfast sandwiches and claim it serves some of the best bagels outside NYC, others report frustrating service issues, including long waits and rude staff. Complaints about management practices and possible overcharging cast a shadow on the overall experience, making it challenging for some to return. However, for those who appreciate quality bagels and have had pleasant visits, the restaurant remains a beloved breakfast spot, although it may benefit from improved customer service and management responsiveness.
