A complete [menu](https://menuweb.menu) of Seoul Garden Temple from Temple covering all 18 courses and drinks can be found here on the menu. Seoul Garden offers an intriguing culinary blend of Korean and Japanese fare that some patrons continue to enjoy. While many appreciate the vibrant flavors and friendly service, a notable decline in food quality and consistency has led to disappointment among long-time customers. Prices are perceived as somewhat high, and portion sizes may vary. Positive experiences highlight attentive staff and an inviting ambiance, while unfortunate incidents of foodborne illness have raised concerns. Overall, Seoul Garden remains a popular choice for newcomers, though regulars hope for a return to the exceptional standards of the past.
