A **comprehensive menu** of Arby's from Waverly covering all **16** dishes and drinks can be found here on the menu. At Waverly's Arby's, diners have expressed growing frustration over inconsistent food quality and service. Patrons frequently receive overcooked brisket, burnt cheese, and items served cold. Order accuracy is a recurring issue; many report missing items or incorrect sandwiches, leading to multiple frustrating returns. Service appears to lack attentiveness, with staff reportedly engaged in personal conversations rather than addressing customer needs. While some have enjoyed certain menu items, such as sandwiches and shakes, the overall experience is marred by unsanitary conditions and rude service, leaving many diners vowing never to return to this location.
