On this website, you can find the **complete [menu](#) of Captain D's Seafood Restaurants** from Springfield. Currently, there are **15** menus and drinks available. Captain D's has garnered mixed reviews, highlighting its potential as a beloved fast-casual seafood spot, but not without criticism. Diners praise its affordable, tasty fish offerings and friendly service, noting substantial improvements from previous experiences at other locations. While some patrons rave about the cleanliness and deliciousness of the food, others have encountered issues with service and food quality, leading to disappointment. Despite these setbacks, it's clear Captain D's has carved out a niche for seafood lovers in landlocked regions, inviting a loyal customer base who appreciate the casual dining experience and are eager for more locations.
