The place from Plymouth offers **16 different meals and drinks on [the menu](#)** at an average \$5.3. Located conveniently for locals, this restaurant offers a range of satisfying options, including well-received salads and a variety of breads. However, recent feedback highlights inconsistencies in quality and service. While some diners rave about their meals, describing delightful combinations like tuna and grilled chicken, others have faced disappointing encounters with stale bread and unengaged staff. Despite a welcoming atmosphere and the convenience of online ordering, improvements in service efficiency and food freshness are clearly needed. Overall, this restaurant shows promise, but patrons urge management to revitalize staff training and enhance food quality for a better dining experience.
