**The Card** of Ynot Italian Landstown from Virginia Beach contains about **18** different dishes and drinks. On average, you pay for a dish / drink about \$4.0. Ynot was founded in 1993 by Tony and his wife Cyndi. The decision was made to put Tony's name on every location and box of food they prepared, as YNOT is TONY spelled backwards - a tribute to his childhood nickname. Their commitment to high quality, hand-crafted food is unwavering. Tony's brother Harry later joined the company, bringing with him their shared love for good food and authentic Italian flavors learned from their family. Whether dining in or ordering out, Ynot ensures that the food is made with the same quality and care as if it were for their own family, so that you can enjoy it with yours.
