On this website, you can find the **complete menu** of Tpumps from Pasadena. Currently, there are **15** courses and drinks up for grabs. This boba shop, while offering a wide variety of drinks, has garnered mixed feedback. Some patrons love the customizable options and quick service, while others are frustrated by the syrupy flavors and diluted tea. The texture of the boba pearls received praise for their chewiness, but the overall taste often falls short of expectations, lacking the robust flavors one hopes for in authentic teas. The atmosphere feels dated, yet the late hours and friendly staff keep customers returning. Ultimately, this spot may satisfy casual boba fans, but connoisseurs might seek alternatives for a superior experience.
