A **complete menu** of Arby's from Powell covering all **15** meals and drinks can be found here on the card. At this Arby's location, customer experiences have been mixed. While some patrons praise the fresh food and friendly staff, highlighting the classic roast beef sandwiches and efficient service, others report frustrating incidents involving incorrect orders and unprofessional behavior from employees. Complaints include missing items, unhelpful management, and unsatisfactory handling of issues. Despite these setbacks, some customers commend the hard work of the staff, even when short-handed. With potential for improvement in training and order accuracy, the restaurant could better meet the expectations of its clientele while maintaining its reputation for serving quality fast food.
