A **comprehensive menu** of **Sushi A La Kaz** from San Andreas covering all **17** courses and drinks can be found here on the menu. The overall consensus on Gami, a local sushi spot, is mixed. Some customers have been long-time fans of their takeout options, but have noticed a decline in quality in recent years. Despite slow service, the diverse menu and delicious options like the Poke bowl and nigiri have earned praise. Friendly staff and fresh, tasty sushi make this restaurant a favorite for many, while others have been disappointed by poor quality fish. However, the attentive servers, creative sushi chefs, and generous portions make Gami a solid choice for a satisfying dining experience.
