Here you can find the [menu](#) of **Outback Steakhouse** in Tulsa. At the moment, there are **17** dishes and drinks on the card. Outback Steakhouse offers a mixed dining experience, with some customers describing their food as decent while others were less than impressed. Complaints range from greasy and tasteless dishes to poor customer service and long wait times. However, there are also positive reviews praising the delicious food, accommodating staff, and outstanding service provided by certain servers like Hunter. The restaurant is commended for catering to dietary restrictions and making alterations to dishes to suit the needs of their customers. Overall, Outback Steakhouse offers a selection of consistent and simple dishes that can satisfy both meat lovers and those with dietary restrictions, with the quality of the experience varying depending on the individual server and circumstances.
