The Card of Andy's Frozen Custard from Mesa contains about 17 different dishes and drinks. On average, you pay for a dish / drink about \$10.6. Andy's Frozen Custard has garnered mixed reviews, highlighting both delightful treats and service challenges. While many patrons rave about the indulgent flavors, such as the Pumpkin Pie Concrete and the James Brownie Jackhammer, issues with order accuracy and employee competency have left some diners frustrated. Despite these setbacks, customer service has received praise, particularly for friendly staff who strive to make the experience enjoyable. For those seeking a satisfying frozen dessert, Andy's offers a tempting array, but consistency appears to be a concern, prompting hopes for improvement in both service and execution.
