A **comprehensive [menu](#)** of Copper Common from Salt Lake City covering all **17** menus and drinks can be found here on the menu. CC and CO has recently undergone a menu revamp that has left long-time patrons disappointed. Popular items, including the copper burger and chicken wings, have been replaced with choices that many feel lack quality and value, drawing comparisons to fast food. While the drinks and service remain commendable, the food experience seems to have declined, with several reviews highlighting misshaped portions and some dishes arriving late. Despite the changes, newcomers still praise the vibrant atmosphere and potential hidden gems, suggesting that with a few adjustments, CC and CO could regain its former glory as a beloved dining destination.
