also a choice of either red rice or white rice, which are cooked perfectly and include a mix of various greens and veggies.

You end your bowl with a choice of sauce. I chose the red spicy, which tasted like a slightly spicy tomato based sauce. Super yummy! My friend's monk curry sauce was also nice, not as spicy but had a nice spice flavor.

And the staff! Everyone was super helpful and nice with explaining how the ordering process works, the different types of tea. It's definitely coming back when the craving for health hits me.
