The place from Brooklyn offers **16** different **meals and drinks** on [the menu](#) at an average price of \$4.6. Subway presents a mixed dining experience that seems to depend heavily on individual visits. While the restaurant prides itself on cleanliness and a welcoming atmosphere, customer service quality fluctuates. Some diners appreciate prompt, cheerful staff and a tidy environment, particularly noting commendable service from certain employees.

However, others report disappointing food quality, stale bread, and unresponsive staff. Issues with coupon redemptions and misunderstanding of orders further mar the experience for some patrons. Overall, while there are noteworthy positives, inconsistency in food quality and service poses challenges, leaving many hesitant to return.
