Carytown Burgers & Fries is a mixed bag of reviews, ranging from disappointment in the quality of the food and cleanliness to praise for the tasty burgers and friendly service. Some customers found the vegan options to be delicious and appreciated the staff's knowledge and patience in accommodating their dietary needs. The atmosphere, quick service, and overall experience also received positive feedback from those who had nostalgic memories of the restaurant. However, issues with undercooked fries, soggy burgers, and a lack of fresh ingredients left some patrons feeling underwhelmed and unimpressed.
