A comprehensive [menu](#) of Emperor's Palace from Olympia covering all 23 meals and drinks can be found here on the food list. Imperial Palace is a restaurant that has been a favorite for many families over the years, but it seems that the quality has declined post-COVID. Many customers have noticed lukewarm or cold dishes being served, along with a decrease in overall taste and portion sizes. Some have even experienced inconsistencies in their meals. However, the restaurant still has its highlights, with a lively bar area and excellent customer service. Despite some setbacks, Imperial Palace continues to attract customers with its clean environment and friendly staff, offering a decent selection of dishes that are generally well-received. Overall, while there have been some negative changes, this restaurant still remains a popular choice for many loyal customers.
