A **comprehensive menu** of Golden Palace Chinese Restaurant from Richland covering all 18 menus and drinks can be found here on the card. Golden Palace is a long-standing staple for Chinese cuisine in the area, drawing in customers with their generous portions and delicious food. Despite some minor issues like the need to order soup separately with a to-go order, this restaurant has remained a favorite for many over the years. The staff and owners are praised for their friendliness and accommodating nature, making it a great spot for gatherings with family or groups. While some may find the decor a bit outdated, the quality of the food and service more than make up for it. So if you're in the mood for some classic Chinese dishes and a welcoming atmosphere, Golden Palace is definitely worth a visit.
