The place from San Andreas offers **25 different dishes and drinks on the card** at an average \$12.7. The restaurant, which appeared closed despite Google listing open hours, faced criticism for rude management and lackluster food. Changes in ownership brought a new menu with mixed results, including a disappointing Asian dish. Positive notes were struck with good service, tasty cocktails, and delicious BBQ fried rice. Despite some shortcomings, the live band and vibrant atmosphere added to the overall dining experience. The bar was noted for ample parking but lacked kid-friendly accommodations. Overall, a diverse mix of customer experiences painted a complex picture of the restaurant's offerings.
