The Menu of Great Chow from Quincy includes about **17** different dishes and drinks. On average, you pay for a dish / drink about \$7.3. Great Chow restaurant has received mixed reviews from customers. While some have mentioned that the food is good and plentiful, others have complained about finding a roach in their meal or being disappointed with the taste of the dishes. Prices have been noted to have increased, leading one customer to vow to never return. However, there have been positive experiences as well, with the manager going above and beyond to rectify issues.
