A complete [menu](#) of Wokn South Mongolian Bbq from Camarillo covering all 18 meals and drinks can be found here on the card. Nestled in [Camarillo](#), this Mongolian BBQ spot has garnered mixed reviews, reflecting evolving customer experiences. Diners appreciate the all-you-can-eat model featuring a diverse selection of meats and vegetarian options, complemented by flavorful sauces. However, recent changes, including rising prices and a dip in food quality—such as the switch from baby corn to canned corn—have disappointed some longtime patrons. While service is generally praised and the ambiance remains basic, cleanliness and the operational shift to a more structured ordering system are noted. Despite some critiques, many still recommend this eatery for its value and culinary customization.
