A comprehensive [menu](#) of True Blue Winery from Davenport covering all 17 meals and drinks can be found here on the card. True Blue Bistro presents a mixed bag of experiences, balancing its charming ambiance and culinary offerings with inconsistent hospitality. Patrons rave about the delicious wood-fired pizzas and refreshing wines, notably the blueberry varieties, crafted with care by owners Fatima and Howard. Many find the space inviting, with cozy seating and tranquil decor enhancing their dining experience. However, some guests have reported unwelcoming interactions, particularly with the staff, leaving them feeling uncomfortable. Despite these discrepancies, the bistro remains a hidden gem worth exploring for those seeking delightful food and drink in a warm environment.
