Here you can find the [menu](#) of **Skyway Bar and Grill** in United States. At the moment, there are **19** courses and drinks on the menu. Located in a picturesque setting near the mountains, this restaurant is a popular spot for those looking to enjoy drinks in the summertime. While the menu has recently changed to only offer a BBQ tofu option with white bread, making it no longer vegan-friendly, it is still a favorite for many locals. The huge outdoor dining area with an outdoor bar serving fantastic drinks adds to the charm of this place. Live music is a regular feature on weekends, creating a lively atmosphere. The BBQ tofu sandwich with a Ciabatta bun allows customers to add their own toppings, and the miso dressing on the salad is vegan. Despite limited options, the quality of the food is highly praised, with many considering it the best vegan food available in the area.
