A complete [menu](#) of Longhorn Steakhouse from Independence covering all 18 courses and drinks can be found here on the food list. Long Horn restaurant recently received mixed reviews from customers. While some were disappointed with the tasteless and poorly cooked food, others had a great experience with friendly and accommodating staff. Despite some complaints about small portion sizes and undercooked steaks, the restaurant seems to shine in customer service, with servers like Brenda going above and beyond to make diners feel welcome and valued. Overall, it seems that Long Horn can be hit or miss depending on the location and management, but for those looking for a good meal at a reasonable price, it may be worth a try.
