Here you can find the [menu](#) of Erie Restaurant & Bar in Erie. At the moment, there are 19 dishes and drinks on the food list. A local gem with fresh breads and desserts made by the owner, Chef Todd, offering superb food and service. The classic American atmosphere and comfort food at reasonable prices make it a delightful place for breakfast. The buffalo burgers and baked goods at the bakery next door come highly recommended. However, the owner's lack of interaction with customers and staff has affected the restaurant's once buzzing environment. Overall, the food is delicious, the staff is friendly, and the atmosphere is welcoming, making it a highly recommended spot for a delightful evening out.
