The restaurant from Scarborough offers **19 different dishes and drinks on [the menu](#)** at an average \$8.7. This restaurant in Maine offers a unique dining experience that may not be for everyone. While the food served fulfills expectations, some diners were unimpressed with the lack of authentic Mexican flavors and the somewhat high prices. Others praised the friendly staff, quick service, and variety of vegetarian and gluten-free options available.

The casual counter ordering system and funky decor add to the charm of the place, making it a great spot for those looking to try something different while on vacation in Old Orchard Beach. However, issues such as pets inside the restaurant and limited condiment options may deter some diners from fully enjoying their meal. Overall, opinions on this Mexican eatery seem divided, with some loving the unique choices offered, while others found the experience somewhat lacking.
