A **complete menu** of District M from Sandy Springs covering all **17** meals and drinks can be found here on the card. District M has recently undergone a change in ownership, and unfortunately, the experience has taken a plunge in quality. Service was slow, orders were mixed up, and dishes went missing. The menu has also seen a decline in options and quality. Despite some positive notes on the food, the overall consensus is to avoid this establishment. Inconsistent service, out-of-stock items, and unprofessional behavior from staff members signal that District M may be in trouble. The once-loved restaurant is now struggling to meet expectations. Consider exploring other dining options in the area for a more satisfying experience.
