On this webpage, you can find the **complete menu** of **Sugidoma Soba Izakaya** from Somerville. Currently, there are **19** meals and drinks available. Sugidama offers a comprehensive Japanese dining experience, with a wide menu selection, reasonable prices, and attentive service. While some dishes, like the sashimi deluxe, skewers, and egg omelet, stand out for their flavors and quality, others, like the sea urchin nigiri and lobster okonomiyaki, fall short. The soba noodles receive mixed reviews, but the cold soba paired with Sapporo is a refreshing choice on a hot day. While there is room for improvement in some areas, overall, Sugidama provides a solid Japanese dining option, especially for those looking for fresh seafood and traditional Japanese dishes.
