The **menu of Angus Jack** from Springdale includes 26 dishes. On average, **dishes or drinks on [the menu](#)** cost about \$5.4. The categories can be viewed on the menu below. Angus Jack's has a strong fan base dating back to its Springdale days, but the Bentonville location has received mixed reviews lately. While some praise the delicious food and efficient service, others have encountered issues like long wait times, incorrect orders, and inconsistent quality. The gluten-free buns are a hit, while the \$8 special is a good value. The dining experience is overall casual and family-friendly, with friendly staff and a cozy atmosphere. Despite some bumps in the road, Angus Jack's remains a solid choice for classic burgers and fries, perfect for a laid-back meal with family or friends.
