A comprehensive [menu](#) of Dragon Express from [Garden City](#) covering all 18 menus and drinks can be found here on the food list. Nestled among various dining options, Dragon Express offers a blend of experiences that seem to leave patrons divided. While some diners rave about the generous portions and quality of favorites like orange and sesame chicken, others express disappointment over tasteless fried rice and inconsistency in food quality. Cleanliness appears to be a recurring concern, with reports of unkempt surfaces and expired beverages. Service is noted to be quick and friendly, and pricing remains appealing. Overall, while there are notable highlights, potential diners should be prepared for an unpredictable culinary journey.
