Here you can find the [menu](#) of Irasshai SUSHI in Urbandale. At the moment, there are **26** courses and drinks on the food list. The restaurant in question seems to have mixed reviews, with some diners praising the excellent taste of the fresh fish dishes, particularly the Tataki beef, while others found the experience lacking in terms of service and quality. The prime rib is highlighted as a standout dish, drawing diners back despite other shortcomings. The wine portions are generous, but the wine list is criticized as dated. Overall, the general consensus seems to be that while the food is solid, service can be slow and inconsistent, with some diners having a negative experience mainly due to poor service.
