A comprehensive [menu](#) of Shibuya Soho from City of London, Westminster covering all 24 dishes and drinks can be found here on the menu. Nestled in a bustling area, this cozy bakery and dessert spot offers a tempting array of Japanese and Korean treats, including mouthwatering bingsu, croffles, and cakes. Despite its delicious offerings and reasonable prices, the dining experience is marred by inconsistency in service, with several patrons reporting discourteous staff and long wait times. While loyal fans are drawn in by the delectable desserts—especially the strawberry and cream caramelized waffle—first-time visitors may be disheartened by the less-than-welcoming atmosphere. Reservation is advisable as the venue tends to attract crowds, but prepare for a potentially underwhelming service experience.
